STATUS REPORT

In accordance with the January 8th, 2016 Procedural Order, the City of Globe and Arizona Water Company (collectively the "Parties") report that a settlement agreement has not been signed but foresees it occurring in the next two weeks. The Parties have been diligently drafting and revising the settlement agreement. Additionally, the settlement agreement was discussed at the Globe City Council meeting of February 9, 2016 in open session. The City's ordinances include a prior discussion rule, which requires an item to be discussed at two meetings before action can take place. On the 9th, the item was agendized as new business so that it can be placed as an action item for the February 23, 2016 council meeting. It is the Parties intent that the settlement agreement will be voted on and signed at that council meeting. Once the settlement agreement is signed, the Parties intend to file the agreement as well as a joint proposed form of notice on or before February 26, 2016. If the settlement agreement has not been signed by that date, the Parties will file a Status Report.

1 RESPECTFULLY SUBMITTED this 12th day of February 2016
